Welcome!

At the yliopistohaku.fi-service you can search for education on offer and fill in the application form online. In order to complete the application successfully, please read all instructions on the information pages on the left side of this page.

At [Search for Education](#) you can search for degree programmes from those universities, that offer education in English language. A more extensive list is available in Finnish and Swedish because the knowledge of one of those languages is required to successful studying. You may transfer the educations you are interested in to Education basket for later inspection. During application period you may also transfer the educations to the online application form and send it.

If you already know, where you are applying to and which application form you are required to fill in, you can go directly to [Fill in the online application form](#). If you give your e-mail address on the application form, you will receive a confirmation of the application to your e-mail.

If you have a Finnish ID number and Finnish internet banking codes or Finnish electronic ID-card, we recommend using the Applicant's online service. The use of the Online service is not required for filling in and submitting an application.

Note! The Applicant's online service is not available in English.

Please note, that you may fill in the application form only once in each joint application and separate admission. If you fill in more than one, only the last form will be valid and processed.

Please note that the application form needs to be delivered latest at 4.15 pm on the last day of the application period.

If you want to return to previous page, please use the previous and next - buttons in the application form. If you use the web browser's back and forward buttons, you might lose the information you have given.

More information is available on each page by clicking [?] at the right side of the screen.

2/8 Prioritise Educations

The educations Anna has chosen do not have to be prioritised or set in the order of preference. Therefore Anna moves directly to section 3/8 “Supplementary information”.

“Prioritise Educations” is available only when educations have to be set in the order of preference.

3/8 Supplementary information

The screenshot shows the '3/8 Supplementary information' section of the 'yliopistohaku.fi' application form. On the left is a vertical navigation menu with the following items: Home, Instructions, Search for education, Education basket (3), Fill in the online application form >, 1. Educations, 2. Prioritise educations, 3. Supplementary information (highlighted with a right arrow), 4. Eligibility, 5. Personal data, 6. Permissions, 7. Agree and submit, and 8. Application form has been submitted. The main content area is titled '3/8 Supplementary information' and includes a purple header bar with a question mark icon. It features navigation buttons '<< Previous' and 'Next >>'. A note states: 'Please fill in the answers. The fields marked with * are compulsory. For further details, please see the information behind the ?-sign next to each question.' There are two question blocks. The first is '1. SAT Reasoning test scores *' with a maximum length of 400 characters, a text input field, and a question mark icon. Below it, it says 'Question concerns following educations: BSc and MSc in Economics and Business Administration, Aalto University'. The second is '2. Previous art studies' with a maximum length of 400 characters, a text input field, and a question mark icon. Below it, it says 'Question concerns following educations: Fine Art, Academy of Fine Arts'. At the bottom are more navigation buttons '<< Previous' and 'Next >>'. The entire form is set against a light purple background.

Some educations require supplementary information set by the universities. This page is available only if supplementary questions are required. After answering the questions, Anna moves on by clicking “Next”.

4/8 Eligibility (joint application)

The screenshot shows the 'yliopistohaku.fi' website interface. On the left is a vertical navigation menu with buttons for 'Home', 'Instructions', 'Search for education', 'Education basket (3)', and 'Fill in the online application form >'. Below these are numbered steps: 1. Educations, 2. Prioritise educations, 3. Supplementary information, 4. Eligibility (highlighted), 5. Personal data, 6. Permissions, 7. Agree and submit, and 8. Application form has been submitted. Under step 4, 'Baccalaureates' is selected, and 'Other examinations' is also visible. The main content area is titled '4/8 Eligibility' and contains instructions: 'Choose either the correct educational background or "My eligibility to study in a university is based on an examination other than Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung examinations"'. A note states: 'If you are completing your Finnish upper secondary education and Matriculation examination in the spring of applying, e.g. in 2012, mark the year as 2012 and semester as spring.' Below this, a radio button is selected for 'I have one or more of the following educational backgrounds:'. There are four checkboxes for different examinations: 'Finnish matriculation examination', 'IB-examination', 'EB-examination', and 'Reifeprüfung-examination'. Each checkbox has a form for 'Year of completion' and radio buttons for 'Spring' or 'Autumn' (for Finnish matriculation) or 'Completed in Finland' or 'Completed abroad' (for the others). At the bottom, there is an unchecked radio button for 'My eligibility to study in a university is based on an examination other than Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung examinations'. Navigation buttons '<< Previous' and 'Next >>' are at the top and bottom of the form area.

Anna can apply with either Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung -examinations or an examination that gives her eligibility to study in higher education in the awarding country. If Anna applies with Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung –examinations, she chooses the correct examination and moves on to page 5/8 “personal details”.

If Anna does not apply with Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung –examinations, she chooses “My eligibility to study in a university is based on examination other than Matriculation examination completed in Finland, European Baccalaureate, International Baccalaureate or Reifeprüfung –examinations”.
